Introducing the Dolmen Table, a true masterpiece of furniture design crafted by renowned Maurizio Manzoni. This exceptional furniture epitomizes sophistication, elegance, and timeless beauty.

One of the standout features of the Dolmen Table is its exquisite marble leg. Expertly cut and polished to perfection, this luxurious leg is a true testament to the incredible craftsmanship of our skilled artisans. The marble's natural patterns and veins add uniqueness and character to each Dolmen Table, ensuring no two pieces are identical.

The top of the Dolmen Table is crafted from the finest quality wood, ensuring its durability, sturdiness, and stunning aesthetic appeal. The natural grain and texture of the wood combine beautifully with the sleek and modern design of the table, creating a stunning visual contrast that is both striking and captivating.
