# ROSS TABLE

W.300 x D.120 x H.74 cm

Designed by **Luca Erba**

Experience the extraordinary Ross Table designed by the gifted Luca Erba. This stunning table features not one but two unusual feet that are sure to capture any attention. The feet are created by a combination of brass casting and cylindrical marble pieces that come together in a visually remarkable way, both modern and elegant.

The Ross Table is made from fine materials that are designed to last. The table top is crafted from wood, providing a sturdy foundation that will stand the test of time. The look is luxurious, not to mention that it is also monumental.

Every curve and contour has been carefully considered to create a functional and sculptural piece. The unique foot design is a true testament to the creativity and skill of the Luca Erba.
