

The masterful
blend of elegance
and superiority

LIAM

SIDEBOARD

W.250 x D.50 x H.55 cm

Designed by **Luca Erba**

Liam Sideboard is a highly sophisticated product designed by renowned designer Luca Erba. This exquisite piece features a top table and body crafted from premium quality marble, while the foot is elegantly cast in brass, adding a touch of luxury and sparkle to interiors with an extraordinary appeal.

Its curvy and angled underside design truly sets the Liam Sideboard apart, which creates an unparalleled sense of harmony and balance. The sideboard's overall design characteristics are equally remarkable, embodying a perfect blend of elegance, modernity, and balance, making it a standout piece that will impress. Experience how Liam Sideboard can bring home a piece of functional art that combines form and function beautifully and harmoniously.
